

CHILD SAFE POLICY

1. Introduction

This Child Safe Policy has been developed in accordance with and implements Principle 1 of the National Principles for Child Safe Organisations (National Principles).

The Child Safe Policy is published on our School's public website and provided to new Staff, and to Direct Contract Volunteers at induction.

1.1 Purpose

Our Child Safe Policy, which includes our Statement of Commitment to Child Safety and Wellbeing, was written to demonstrate the strong commitment of the School to promoting children's wellbeing and safeguarding children from harm, and to provide an outline of the policies and practices that we have developed to keep our students safe, including from harm.

It is an overarching policy that provides the key elements of our approach to the School as a child safe organisation and sets the tone for the School's entire Child Safe Program.

The Child Safe Policy provides the framework for:

- the implementation of the National Principles
- the development of work systems, practices, policies and procedures that promote child protection within the School
- the creation of a positive and robust child protection culture
- the promotion and open discussion of child protection issues within the School
- complying with all laws, regulations and standards relevant to child protection and safety in South Australia.

1.2 Scope

The School's Child Safe Policy applies to all adults in the School community, including Staff, Volunteers, Contractors, External Education Providers, parents/carers and other family members. This policy applies in all School environments, both physical and online, and on-site and off-site School grounds (e.g. camps and excursions).

2. Statement of Commitment to Child Safety and Wellbeing

Annesley Junior School is committed to providing education and care to children and young people to assist them to develop into high achieving, supported students, positively connected to each other and to the communities in which they live and which they will serve.

All children and young people who come to Annesley Junior School have a right to feel and be safe. We are committed to providing a child safe and child friendly environment, where children and young people are safe and feel safe and are able to actively participate in decisions that affect their lives.

Each member of the School community has a responsibility to understand the important and specific role that they play individually and collectively to ensure that the wellbeing and safety of all students is at the forefront of all that they do and every decision that they make.

3. Child Safe Principles and Standards

The National Principles for Child Safe Organisations

The National Principles were developed by the Australian Human Rights Commission in response to recommendations of the Royal Commission into Institutional Responses to Child Sexual Abuse. The National Principles are comprised of 10 Principles that were informed by, but go further than, the 10 Child Safe Standards recommended by the Royal Commission. They are:

Children and Young People's Rights to Safety, Information and Participation

Annesley Junior School is a child safe and child-centred organisation. Our environment is friendly and welcoming to all children and young people.

We actively seek to include students in decisions that affect them. This includes decisions about organisational planning, delivery of services, management of facilities, and classroom learning and assessment environments.

We ensure that students know about their rights to safety, information and participation. We recognise the importance of friendships and support from peers. We actively seek to understand what makes students feel safe in our School and regularly communicate with students about what they can do if they feel unsafe.

Parents/Carers, Families and Community Involvement at the School

The School recognises that parents and carers have the primary responsibility for the upbringing and development of their children. We ensure that they participate in decisions affecting their children.

We ensure that families and relevant communities (Aboriginal and Torres Strait Islander communities, culturally and linguistically diverse communities, other communities that make up our Staff and student cohort, and the local community in which our School operates) know about the School's operations and policies, including its Child Safe Policy and Child Safe Codes of Conduct, record keeping practices, risk management, and complaints and investigation processes.

We actively seek to include families and relevant communities in decisions about organisational planning, delivery of services, management of facilities, and classroom learning and assessment environments.

We build cultural safety at the School through partnerships with relevant communities.

Valuing Diversity in the School Community

Our School values diversity and does not tolerate any discriminatory practices. To achieve this, we:

- support the cultural safety, participation and empowerment of Aboriginal and Torres Strait Islander students and their families

Annesley Junior School

- commit to ensuring that our facilities promote the inclusion of students of all abilities.

Our Child Safe Program

Annesley Junior School is committed to the effective implementation of our Child Safe Program and ensuring that it is appropriately reviewed and updated. We adopt a risk management approach by identifying key risk indicators and assessing Child Safe risks based on a range of factors including the nature of our School's activities, physical and online environments and the characteristics of the student body.

Our Child Safe Program relates to all aspects of child safety and protecting students from harm, and establishes work systems, practices, policies and procedures to create and maintain a Child Safe environment and culture at the School. It includes:

- strategies to support, encourage and enable Staff, Volunteers, Contractors, parents/carers and students to understand, identify, discuss and report child safety matters

Reporting Child Safety Incidents or Concerns Externally and to the School

Any person, including Staff, Volunteers, Contractors, parents/carers and students, can at any time report a reasonable suspicion about harm to a child or young person directly to the Department for Child Protection (DCP) using the Child Abuse Report Line (CARL) on 13 14 78 or online: <https://www.childprotection.sa.gov.au/reporting-child-abuse/report-child-abuse-or-neglect>

CARL is open 24 hours a day, seven days a week.

If you need guidance on making a report, or have questions regarding child safety, contact one of the School's appointed Child Protection Officers.

Our Child Safe Program provides detailed procedures with respect to the reporting of child safety incidents and concerns to relevant external authorities.

It also contains detailed guidance for School Council members, Staff, Volunteers and Contractors on how to identify key indicators of different forms of harm to children and young people and how to report child safety incidents or concerns:

- to relevant external authorities, including DCP and the Police
- internally to one of our School's Child Protection Officers.

Students at the School are provided with information about and encouraged to use multiple pathways to raise child safety incidents or concerns about or at the School. These include the promotion of reporting any concerns a student may have to someone listed on their support network (early years curriculum), and in later primary years, students are provided with information on contacting CARL and/or by reporting internally to the School via informal and formal ways, an 'anonymous' way, and through external child advocacy or child safety organisations. SAPOL also attend on-site to discuss personal safety matters and cybersafety with students and address how to report concerns.

Parents/carers, family members and other community members who have child safety concerns or who suspect that a child or young person associated with the School may be subject to harm can contact CARL and/or:

- the School's Senior Child Safety Officer (the Principal), by phoning (08) 8422 2288 or emailing principal@annesley.sa.edu.au, or
- if the concern relates to the Principal, the Chair of Council - ChairofCouncil@annesley.sa.edu.au.

Any person can also contact the Senior Child Safety Officer or the Chair of Council at ChairofCouncil@annesley.sa.edu.au if they have concerns regarding the School's leadership in relation to child safety.

Communications will be treated confidentially on a 'need to know basis'.

Whenever there are concerns that a child is in immediate danger the Police should be called on 000.
